MESSAGE FROM

THE HoD

Prof. B.V. Phani

On behalf of the Department of Management Sciences at IIT Kanpur, I would like to place on record our heartfelt gratitude towards the industry for continuously validating the unique potential of our curriculum. Our program integrates technology, engineering, and analytics into management decision-making, with the vision of nurturing a new generation of capable managers equipped with strong analytical skills and sound decision-making capabilities.

In a world where management is increasingly driven by data rather than intuition, we believe our approach, rooted in IIT Kanpur's strong technical foundation, prepares our students with a distinct advantage. The convergence of technical acumen and managerial insight equips them to handle complex business challenges with confidence and clarity.

This approach has consistently resonated with our industry partners, reflected in the steady rise in the number of participating recruiters and the expanding spectrum of roles offered across sectors. We've seen meaningful engagement from organizations seeking candidates with domain expertise, versatility, and analytical sharpness, qualities that our students continue to demonstrate year after year.

We have also witnessed encouraging growth in both the number and quality of offers extended to our students, validating the value our program brings to the corporate world. This ongoing partnership with industry, built on mutual trust and shared vision, remains one of our strongest pillars.

As we celebrate Golden Jubilee this year, with your continued support and encouragement, we look forward to further strengthening this symbiotic relationship and fostering future-ready managers who can lead with insight, agility, and impact.

MESSAGE FROM

FACULTY COORDINATOR

Dr. Suvendu Naskar

AssistantProfessor

The Final Placement season for the 2023–2025 batch has been another remarkable success, even in a year marked by challenging market conditions. I'm proud to share that we achieved 100% placements for all students registered through the Placement Committee. This year, we recorded the highest ever CTC of ₹36 LPA, a significant jump from ₹24 LPA last year, along with a strong increase in the average CTC. These achievements reflect the growing industry trust and strong corporate relations built by our department over the years.

The number of recruiters rose from 21 to 44, with participation from leading companies across E-commerce, BFSI, Consulting, Analytics, Manufacturing, and FMCG sectors. Our students were offered a wide range of roles including Brand Manager, Product Manager, Business Analyst, Senior Business Analyst, Technology Consultant Analyst, Investment Analyst, Risk Analyst, Strategy Consultant, Supply Chain Manager, Operations Manager, Program Analyst, Associate Consultant, Portfolio Manager, General Management, Marketing, Finance, and many others.

We continue to uphold our strong academic reputation as we proudly celebrate the Golden Jubilee this year, of our department's journey, I would like to sincerely thank our recruiters, alumni, student placement team, faculty members, and support staff for their unwavering commitment and contributions in making this year's placement season a resounding success.

I invite you to read further and learn more about the achievements of the Batch of 2023–2025.

Department of Management Sciences, IIT Kanpur

The Department of Management Sciences (DoMS) at IIT Kanpur was set up in 1974. It is the first in the country to recognize the strength of combining the training of engineers with management education. The MBA program was started in 2001. Since its inception it has possessed many millstones and stood 29th position in NIRF Management Ranking 2024.

Golden Jubilee

- **1974** — Single Master's Degree Programme
- **2001** — Introduced MBA Programme
- **2006** — Visionary Leadership for Manufacturing programme
- **2021** — Introduction of 4 e-Master's Programmes
- **2023** — Rebranded as Department of Management Sciences

KEY HIGHLIGHTS

Established in 1974
DoMS introduced its MBA program in 2001

Prestigious Alumni
Alumni hold prestigious positionsinorganizations such as UPSC, Barclays, McKinsey & Amazon

Consistent Ranking
Consistentlyranked among the top 20 business programs in the country

Significant Projects
Engaged in significant projectswith Indian Railways, IOCL, and the Indian Armed Forces

Distinguished Faculty
Faculty aredistinguishedalumni from IIMs, IITs, and IISc Bangalore

Notable Faculty
Faculty have held director positions at IIM Mumbai, IIM Lucknow, IIIT Bangalore

Best Return on Investment (ROI)
Offers the best (ROI) among elite business schools

PROGRAM OVERVIEW

Technology plays a pivotal role in Business. Nearly all businesses and corporations on this globe use computing ranging from the most fundamental to the most difficult of operations. We believe in coursework importing state-of-art business knowledge coupled with an emphasis on experiential learning achieved through a summer internship, corporate interaction, projects, and extracurricular activities.

In order to fulfill the requirements of the MBA program, students must complete the required credits

FACULTY PROFILE

Dr. B.V. Phani
Professor and HOD
Fellow in Management (IIM Calcutta)
Area of Interest
Financial Management, Valuation & Real options, Corporate Governance, Entrepreneurial Finance and Financial Intermediaries & Financial Markets

Dr. Abhinava Tripathi
Professor
Ph. D. (IIM Lucknow)
Area of Interest
Financial Markets,Market microstructure, Liquidity, Market Efficiency, Banking, Corporate Banking, Credit risk management in Banking, Project Finance, Investment Management, Derivatives, Security Analysis and Portfolio Management, Corporate Finance, Financial Management, Corporate Valuation and Restructuring, R programming: Quantitative applications in Finance with R, Accounting, Financial Accounting, Management Accounting

Dr. Amit Shukla
Professor Fellow in Management (IIM Lucknow)
Area of Interest
Emerging Employment Relationship, Citizenship Behaviour, Psychological Ownership, Positive OB, Academic Excellence, Staffing, Talent and Performance Management

Dr. Anoop Singh
Professor
Ph. D. (IGIDR Mumbai)
Area of Interest
Power sector reforms and regulation, power market development, regulatory governance, energy and electricity pricing, renewable energy policy modelling, energy analytics, minigrids, smart grids, climate policy modeling, project financing and cross-border energy cooperation.

Dr. Avijit Khanra
Professor
Fellow in Management (IIM Ahmedabad)
Area of Interest
Scheduling, Stochastic Systems, Production and Supply Chain Management

Dr. Deepu Philip
Professor
Ph. D. (MSU Bozeman)
Area of Interest
Decision Support Systems, Robust planning & scheduling with local searches, Systems simulation, Smart systems, AI based searches, Experimental design, Entrepreneurial decisions, ITS

Dr. Devlina Chatterjee
Professor
Ph. D. (IISc. Bangalore)
Area of Interest
Managerial Economics, Applied Econometrics, Rural Economics, Empirical Finance.

Dr. Faiz Hamid
Professor
Fellow in Management (IIM Lucknow)
Area of Interest
OperationsResearch, Combinatorial Optimization, Network Optimization, Data Science

Dr. Harshal Mulay
Professor Ph. D. (IIM Calcutta)
Area of Interest
Law and Finance, Culture and Finance, Creditor Rights, Banking, Corporate Finance

Dr. Jitender Kumar
Professor Ph. D. (IIT Roorkee)
Area of Interest
Brand Management, Consumer Psychology, Brand Communities

Dr. Jothsna Rajan
Professor
Ph. D. (IIM Bangalore)
Area of Interest
Partnerships, Public Administration, Policy Evaluation

Dr. Mousami Prasad
Professor
Ph. D. (IIT Bombay)
Area of Interest
Energyand ClimateChange Economics; Energy Transition; Energy Policy; Industrial decarbonisation (Green Steel; Green Hydrogen

Dr. Nivedita Bhaktha
Professor
Ph. D. (The Ohio State University)
Area of Interest
Psychometrics, Data Quality Assessment, Multivariate Analysis, Latent Variable Modeling, Categorical Data Analysis, Simulation Studies, Data Visualization, Survey Research, Research Methods

Dr. Prerna Gautam
Professor
Ph. D. (University of Delhi)
Area of Interest
OperationalResearch,Optimization, Sustainability, Waste Management, Service Operations Management

Dr. Raghu Nandan Sengupta
Professor
Fellow in Management (IIM Calcutta)
Area of Interest
StatisticalInferenceProblems , Data Envelopment Analysis (DEA), Multicriteria Decision Making, Network Flows, Econometrics methods in Finance

FACULTY PROFILE

Dr. Rahul Varman
Professor
Fellow in Management (IIM Ahmedabad)
Area of Interest
The Political Economyof Corporations, Globalisation and Working Classes, Governance of Global Value Chains

WORK EXPERIENCE

FINAL PLACEMENTS 2023-25

The final placement process at the Department of Management Studies (DoMS), IIT Kanpur, witnessed remarkable achievements this year. A total of 44 companies actively recruited from our campus, offering a diverse array of job profiles. This represents a 2.1x increase compared to the previous year, highlighting the growing interest of recruiters in our talent pool. The rigorous curriculum, coupled with practical exposure, continues to attract industry attention who were impressed by the exceptional quality of our program and the remarkable skill set possessed by our students. Reflecting recent industry trends and aligning with the evolving business landscape, a significant portion of recruiters specialized in Analytics, Finance and Marketing. IT companies extended several offers, providing additional avenues for our students. The tech sector remains a vital contributor to our placement success which exemplifies the techno-managerial approach of the department.

DOMAIN-WISE FINAL PLACEMENT

SUMMER PLACEMENTS 2024-26

The summer of 2024 witnessed a surge in corporate engagement. DoMS, IIT Kanpur, hosted an impressive lineup of 22 companies, including regular recruiters like Axtria, IndiaMart, Mphasis, Tiger Analytics, and ICICI Bank. New entrants, such as MasterCard, Accenture, TradeDog, Apsona added fresh perspectives to the offered profiles. The campus was excited as students prepared to contribute meaningfully to their organizations. In this symbiotic exchange, industry gains fresh talent while students refine their skills, build networks, and shape their career trajectories. The Summer Internship Program remains a testament to the synergy between academia and business—a bridge that propels future leaders toward excellence.

COMMITTEES AT DoMS

Placement Committee

The vanguards work to overcome obstacles to the cohort's career and placement. The wise are made and reinforced by the responsibility of the future. The Placement Committee is unique in that it strives for the advancement and improvement of its associates.The committee vows to lead responsibly, serve with honesty, and drive the legacy forward by forming an indestructible bridge between the cohort, the institute, and the recruiters.

Left to Right:

Ujjwal Pandey, Onkar Pandey, Aanchal Nikhra, Udit Soni, Vishal Chaudhary

Media and Cultural Committee

Amidst the intricacies of our extensive management curriculum, the Media and Cultural Committee assumes a pivotal role. It harmoniously enhances our learning environment while nurturing cultural initiatives, thus striking a perfect equilibrium between academia and the corporate world. Benefiting from its diverse membership, the committee fosters a culture of healthy competition, enriching our cultural milieu and boosting morale.The media and Cultural Committee forms a dynamic force that injects the campus with vitality and prestige!

Left to Right:

Aslam MU, Bhavesh Verma, Pritha Kushwaha, Harsh Dake, Abhinav Siddharth, Tushar Sharma

Alumni and Corporate Relations Committee

The Alumni and Corporate Relations Committee serves as the bridge that connects and facilitates interactions among alum network members. With the institute's strong backing, this committee provides a platform for students and alums to engage in meaningful and productive exchangesPutting the cohort's growth first, the committee forges connections with various industries, creating a vital link between students and the corporate world.

Left to Right:

Harshal Dharme, Sharan Khemane, Kathakali Bakshi, Amogh Bolar, Deepak Purohit

COMMITTEES AT DoMS

Prabandhan Committee

The Prabandhan Committee members are the driving force behind the success of DoMS IIT Kanpur's annual management festival. Comprising dedicated and passionate students, this team meticulously plans and executes various events that provide a dynamic platform for participants to showcase and enhance their management skills.
Their unwavering commitment and innovative approach ensure that each edition of Prabandhan is better than the last, offering unique experiences and opportunities for learning and growth. The committee's efforts highlight their organizational prowess and foster a vibrant community spirit, making Prabandhan a hallmark event of our institute.

Left to Right:

Akash GM, Kartikay Dhayia, Nishant Pudasaini, Pranjal Bopate, Samarth Bhardwaj, Shivam Raj

Admission Committee

The Admissions Committee is vital in shaping our academic community. This dedicated team of students helps in selecting and welcoming the brightest minds, ensuring each new cohort reflects our institution's values of excellence.
Beyond selection, they offer insights and support to prospective students, making the admission process seamless. By bridging applicants and the institution.

Left to Right:

Nishant Ameta, Mahendra HN, Charvi Singhal, Satyaki Sinha, Aniket Bhagat, Prolay Bhattacharyya

Capstone Committee

The Capstone Committee integrates live projects into students' studies, allowing them to apply their knowledge in real-world scenarios. This dedicated team facilitates industry collaborations, ensuring students engage in meaningful, hands-on projects that enhance their practical skills and professional development. The committee's support and guidance bridge the gap between academic learning and industry application, enriching the educational experience.

Left to Right:

Ayush Gupta, Malini Mahato, Harsh Gautam, Mohak Pachpor

PRABANDHAN HIGHLIGHTS

Prabandhan is the annual management conclave organized by the Department of Management Sciences (DoMS), IIT Kanpur. It aims to provide students with an engaging platform to exhibit and strengthen their managerial competencies through a diverse array of events. In addition to nationally recognized case competitions, the conclave hosts high-impact seminars, CXO-level panel discussions, and expert-led sessions exploring pressing industry themes. Through its multifaceted approach, Prabandhan equips students not only to demonstrate their skills but also to connect meaningfully with emerging trends in the field of management.

K-ALEIDOSCOPE

Bridging Academia and Industry

K-aleidoscope is a premier DoMS, IIT Kanpur event designed to unite CXOs, industry experts, and founders from diverse sectors. This event provides a unique platform for MBA students to gain insights into industry trends, effectively leveraging their academic learning for real- world applications. K-aleidoscope fosters a professional environment where students can explore how various industries operate, merging theoretical knowledge with practical practices.

Each session allows students to engage directly with professionals, ask questions, and expand their understanding, fueling their thirst for learning and growth. This dynamic interaction equips students with the skills and perspectives to thrive in their careers.

INTERNATIONAL EXCHANGE

We pursue, encourage and facilitate strong, cordial and long term collaborative and exchange programmes. These involve participation in technology development, research and education. They mutually benefit the faculties and students of both, ours and our partner Universities.

Dual MBA Programme
University of Wisconsin-Milwaukee

This partnership program provides you with the opportunity to expand your horizons by coupling your MBA from IITK with a STEM-designated MBA program from UWM's Lubar College of Business, a top business school accredited by AACSB International.

University of Wisconsin-Milwaukee

The University of Wisconsin-Milwaukee provides a world-class education to 22,000 students from more than 80 countries.

Lubar College of Business

The Lubar College of Business is home to more than 3,400 students enrolled in 42 business degree and certificate programs. Accredited for over 50 years by AACSB International, the Lubar College is Leading through Analytics and Innovation.
